IV. Procedures for Processing Expenses

As noted above, the processing of expenses is handled with the same highest standards and ethics in financial operations. The procedure for handling of all expenses/payables is setup to maintain separation of duties as well as transparency. Payables are typically paid for the following items:

1. Payments to vendors for goods and services
2. Taxes/license fees
3. Staff training and development
4. Memberships and subscriptions

7. Marketing/promotional materials

The payables are processed in the following manner:

- Office Assistant checks mail (and designated accounting@philanthropywv.org email account) on a weekly basis
- Office Assistant opens (print from email) all invoices
- Files in Payables Request folder in Office Assistant's office which are then processed on the 1st and 3rd Monday of every month thus all invoices must be received by 11 AM on this day to be included in processing
- Office Assistant prepares the payables by:
 - Compiles the invoices for the President/CEO listing on each invoice the budget line item that it will be paid

(The goal for turnaround time from date of the Office Assistant's processing the payables request and eCratchit's cutting the checks and the Board Treasurer or her/his designee approving the checks and mailing to vendors should be no more than 5 days.)

V. Credit Card Policy and Charges

[PLEASE NOTE as of 12/01/2012 Philanthropy WV has discontinued its use of a corporate credit at this time. It was recommended by the auditors for Philanthropy WV to discontinue this practice until a full-time business manager is on staff. This policy is on record in case the practice returns at a later date.] Philanthropy WV credit card may be used solely for business purposes. All purchases must be discussed and pre-approved for purchase by the organization's President or Board Treasurer. A receipt for all transactions must be supplied by the purchaser to verify each purchase made and Philanthropy WV's receipt of those items. All receipts will be attached to each monthly credit card bill and properly coded to the budget line item that will be expensed.

One credit card will be issued with one for the Operations Coordinator maintains in the office. All staff members who are authorized to carry an organization credit card will be held personally responsible in the event that any charge is deemed personal or unauthorized. Unauthorized use of the credit card includes: personal expenditures of any kind; expenditures which have not been properly authorized; meals, entertainment, gifts, or other expenditures which are prohibited by budgets, laws, and regulations, and the entities from which Philanthropy WV receives funds.

The receipts for all credit card charges will be given to the Operations Coordinator within two (2) weeks of the purchase along with proper documentation. The Operations Coordinator will verify all credit card charges with the monthly statements. A record of all charges will be given to the Bookkeeper with applicable allocation information for posting and a copy forwarded to the Board Treasurer. A copy of all charges will be attached to the monthly credit card statement when submitted to the President for approval and signing.

Both the President and Operations Coordinator's credit card usage will be provided to the Board Treasurer and Board Chair.

VI. Process for Inter-Account Bank Transfers

eCratchit (Outsourced Chief Financial Officer) monitors the balances in the bank accounts to determine when there is a shortage or excess in the checking account. eCratchit recommends to the President when a transfer should be made to maximize the potential for earning interest or cover the cost of expected payments at that time. eCratchit then requests that the President setup an electronic transfer in the amount needed to the Philanthropy WV's checking account. The Board Treasurer is then notified of the pending transfer and then approves the transaction. A copy of the transfer is printed and stored in the organization's files for that bank. Please note that the separation of duties on all electronic accounts has been clearly setup so that only the staff: President and Office Assistant can only post a transfer request and that the Board Treasurer or other designated board member can approve it. Staff are not able to approve any bank transfers out to vendors or other banks.

VII. Expense Reimbursements

As staff members incur expenses on a daily/weekly basis for their work duties for the Philanthropy WV, the organization reimburses the President, Program Coordinator, Office Assistant, and other staff/volunteers for approved business related expenses. Each employee must submit their expense reimbursement request on the approved organizational reimbursement form (sample attached) attaching all necessary receipts, invoices, detailed listing of mileage, and proper documentation prior to the 1st or 3rd Monday of the month for payment. All invoices and receipts must have the account code written on them and approved by the President or Treasurer prior to being submitted for payables request.

Expense reimbursements are generally made for:

1. Payments directly to vendors for goods and/or services that could not be invoiced
2. Staff training and development
3. Meeting and conference expenses
4. Mobile phone stipends
5. **Mileage**- reimbursed at the GSA per mile rate. Each change made by the GSA is then presented for approval at the following Finance & Administration Committee meeting.
6. **Lodging** - an itemized receipt from the hotel detailing all charges, the person(s) for whom the lodging was provided, and the specific business purpose.
7. **Meals and Entertainment** - a receipt must be provided showing the cost of food, beverage, and gratuities, including the names of every person for whom food or beverage was provided, and the specific business purpose.
8. **Other Expenditures** - a receipt from the vendor detailing all goods or services purchased (including the class of service for transportation) and the specific business purpose. Example: public transit receipt, parking, taxicab, etc.

The Office Assistant reviews all requests for reimbursements and:

1. Verifies expenditure and amount
2. Forwards to the President or Board Treasurer for approval of payment if in accordance with budget
3. Provides or verifies appropriate allocation information
4. Submits the approved reimbursement expense to eCratchit for processing

As our Outsourced Chief Financial Officer, eCratchit reviews and process all requests for reimbursement and:

1. Provides date of payment taking into account cash flow projections
2. Processes the reimbursement then submit its to the Board Treasurer or her/his designee for final authorization by reviewing documentation and digitally approving checks that are then mailed to employees or volunteers

VIII. Financial Reports

eCratchit, as our Outsourced Chief Financial Officer, upon completion of reconciliation will prepare the monthly (by the fifth of the month) and annual financial reports for distribution to the President and Board Treasurer. The reports will include: balance sheet, statement of income and expenses, budget versus actual report for each program which has an established budget, a budget versus actual report for the organization, outstanding debts, cash flow projection, general ledger, and any other requested reports.

Quarterly and annual financial reports will be submitted to the Finance and Administration Committee and Board of Directors for review and approval.

ARCHIVED & RETIRED PRACTICES:

As of December 2012, Philanthropy WV ceased having an organizational/corporate credit card, instead employees make purchases on their cards and are reimbursed.

(A) Process for Monthly Payment of Philanthropy WV's Credit Card

With Philanthropy WV established separation of duties among its staff, contracted bookkeeper services, and Board Treasurer, the payment of the monthly credit card bill can take longer than the short time period available between the date the bill is received and the due date. The following process has been established to allow for timely payment of the bill, reporting of all expenses, and review/approval of the expenses/payment by the Board Treasurer electronically:

- (A) Upon receiving the monthly credit card bill from the bank, the Operations Coordinator would proceed after the President has opened the statement that day to prepare an accounts payable form listing all expenses, vendors, purpose, amounts and budget line items and compile all the receipts and documentation associated with that month's expenses. The Operations Coordinator will sign, scan and forward the credit card bill and all receipt documentation to the President.
- (B) The President reviews, prints, and signs off on all the receipts he approves and the payables request form and poses any questions or clarification needed to the Operations Coordinator. If all is approved, then the President scans the signed copies along with receipts and emails those to the Board Treasurer copying the Operations Coordinator and Bookkeeper. The President proceeds to post an MVB Bank electronic transfer to be paid directly to United Bank's credit card company (please note the President is not able to approve it).
- (C) The Board Treasurer reviews all the documentation: bill, receipts, and materials then approves it forwarding an email to President and Operations Coordinator confirming his/her approval. The Board Treasurer then goes online to approve the MVB Bank electronic transfer to United Bank
- (D) No staff person has the authority to approve the transaction of funds. Staff only have the ability to post a transfer, but the approval of payment is required by the Board Treasurer or another board member
- (E) The documentation of approved transactions, etc are then filed and shared with our bookkeeper to make s/he aware of the payment so they can debit the proper accounts to keep records up to date
- (F) The finalized payment and signed documents/emails are then printed and filed in the main Philanthropy WV office
