Philanthropy provides excellent resources and opportunities for your members, and I enjoyed participating, but at this time my efforts are focused in a different direction and I am making some tough decisions about where my limited time can be spent." The Peterman Foundation	Paul spoke with Melissa Watkins, JD at Steptoe & Johnson (who was the Peterman Foundation's contact) on 03/14/2022. She shared that she is not as involved with the Peterman Foundation now as in past years. Their board Chair is Tom Vorbach at Steptoe & Johnson. Mr. Vorbach has preferred to keep the Peterman Foundation more private and with Melissa not as involved that they would not be renewing membership. Melissa assured Paul it was not about Philanthropy WV rather that the Peterman's were private individuals when they were living and that Mr. Vorbach is not as involved in Philanthropy WV and preferred to not renew as he is a private person as well.
